CHAIRMAN'S CHAT

Welcome all SBE

70 members and friends to the fall issue of 70 minutes.

First up big thanks go out to Ron, Bob, Dan & the whole crew at WKSU for being

such gracious hosts, they even covered the food for us! We had a good program on towers: how to make them fall where you want and how to tell if they're ready to fall on their own. Always cool to see some tower drops. We had a good turnout at WKSU so let's keep that going, this Chapter needs the support of everyone to stay viable. If you have program or location ideas please contact one of the officers and let us know, you are our best resource.

You need to register NOW for 2013 Ohio Broadcast Engineering Conference This year's Ohio Broadcast
