

December 10th Meeting Information

Join us for a 'rare' December meeting at Futuri Media, with a presentation by Cornelius Gould.

The Futuri Media office is located at 4141 Rockside Road, Suite 300, in Seven Hills. There is ample free parking in the building's lot. Please use the main entrance, which is at the back of the building just up a short flight of stairs, under a 4141 sign. Come up to the 3rd floor and follow the signage to the Legends conference room.

Futuri Media develops technology solutions, like podcasting system POST, AI-driven show prep system TopicPulse, and interactive broadcasting system LDR, that help more than 1,500 radio stations worldwide grow ratings, revenue and digital audience.

Cornelius Gould, Futuri's SVP, R&D and Innovation, will lead a presentation on podcasting.

Gathering time is 7pm, with meeting at 7:30 and the presentation to follow. Hope to see you there!

-John Hovanec CSRE/CBNT, DRB, AMD
SBE Chapter 70 Program Chairman

CHAIRMAN'S CHAT by Blake Thompson

Hello and happiest of holidays to all the members and friends of SBE Chapter 70! We had a really good conference in Columbus at the MBMTC last month, it looks like the 3 Broadcast Associations will continue to work together and make it even better moving forward. I'd like to thank those who were able to attend and note that one of the events big sponsors and presenters was our own Frank Foti from the Telos Alliance. Frank and the group have always helped the conference and the chapter, like hosting our last meeting in October with a new presentation on multipath. Thanks Frank!

In local news TCT is expanding their offices in Akron on Brittain Rd. This year they have installed a new Brainstorm virtual 3d studio and added a second HD production control room. They have added two engineers already this year and looking at adding more on
