We want to thank him for all of the work he does in making sure our newsletter looks so nice and gets out in a timely manner, and usually on very short notice due to yours truly getting the content to him with last minute notice!

We will gather for the picnic, then have the Chapter Meeting and Elections followed by a tour of 88.9 WSTB. Bob Long has provided the following details for you..

CHAIRMAN'S CHAT

Hello all members and friends of SBE Chapter 70. It was nice to meet in person again, but I'd love to see even more smiling faces. I want to thank John Hovanec & Bob Leskovec for the pictorial look at past meetings we had. Nice work! We'll have a few more events to take pictures at this year, including the fall conference!

The Midwest Broadcast & Multimedia Technology Conference is on Friday Oct. 28, 2022 at the Columbus Convention Center. The program committee has several options for the three (3) concurrent tracks that will be offered this year, so there should be something for everyone. There will be an opening panel on Regulatory updates and a final Cybersecurity session from Wayne Pecena. Those programs always have important info.
