Notes:

- EAS Required Monthly Tests (RMTs) originate from the State Emergency Operations Center (SEOC) in Columbus.
- WNCI is the State Primary station (SP-1) – gregsavoldi@iheartmedia.com.
- WBNS-FM is the alternate State Primary station (SP-2) – greg.armstrong@radiohio.com.
- The SEOC originates RMTs through a combination of CAP/IPAWS via internet, OEAS fiber transport via OET embedded digital stream and firewalled G-Net audio codecs to LP stations and legacy Over-The-Air transmission to the 12 Operational Areas across the state. WNCI and WBNS-FM are the lead stations for OTA distribution to all radio, TV and cable operators, statewide.
