

SBE CHAPTER 70 - CLEVELAND/AKRON

SBE 70 MINUTES

Tuesday, June 13, 2023 - 6:30pm at Telos Alliance
1241 Superior Avenue Cleveland, OH 44114

Gather 6:30pm - SBE Chapter 70 Meeting at 7pm - Presentation to follow
Presentation: Real Radio Hosts Working Virtually by:
Jake Alderman, Program Director for Virtual Solutions, Telos Alliance

JUNE 13th MEETING INFO

Join us in-person at Telos Alliance on Tuesday, June 13th at 6:30pm. This will be our traditional format, gathering for pizza and refreshments (thank you Lindsay Klinger and Telos!) followed by our chapter meeting and then a presentation by Jake Alderman.

The presentation topic is "Real Radio Hosts Working Virtually". A description of the presentation from Jake: "Telos Alliance recently launched the Altus console, the latest offering in their family of virtual solutions. The presentation will consist of two components. We will start with some best practices on virtualization and why we should be considering it when selecting new gear. Then we will pivot to an Altus specific discussion and hands on demo."

Gathering time is 6:30pm at Telos, 1241 Superior Avenue Cleveland, OH 44114, with the SBE Chapter 70 Business Meeting at 7pm and the presentation to follow. There is no Zoom link for this meeting, we are hoping you can make it for the camaraderie, pizza and refreshments (as well as the meeting and presentation).

SBE Chapter 70 Program Chair

CHAIRMAN'S CHAT

Hello all members and friends of SBE Chapter 70. First up we want to thank Mark Kreiger for the excellent program on WGAR-AM last month. It was very eye opening to hear all the war coverage and then learn of the licensing issues later. The FCC eventually changed the rules after several GA Richards stations had renewal trials and tribulations, even Eleanor Roosevelt got involved. A great program from Mark, and it also showcased all the work behind digitizing the old discs.

The SBE National Meeting, on Sept. 27-28, will be part of the Midwest Broadcast & Multimedia Technology Conference again this year (MBMTC) The MBMTC 2023 is scheduled for Thursday, September 28 at the Greater Columbus Convention Center in Columbus, OH. This year we are bringing together engineers from four states as the Michigan Association of Broadcasters joins the OAB, IBA, and KBA in presenting MBMTC 2023. The conference will once again feature an exhibitor

Chairman's Chat (continued from Page 1)

showcase, door prize giveaways, professional networking, dining, and a collection of panel discussions and breakout sessions. Registration should open in July and the program committee has a good slate of sessions to choose from.

There are two webinar series being developed that cover RF for those coming from the IT side. The two series will be *Basic RF for IT* and *Applied RF for IT*. The first module of *Basic RF for IT* will stream live on June 29 @ 2 p.m. ET

See you at Telos!
