

SBE 70 MINUTES

NO MEETING THIS MONTH

CHAIRMAN'S CHAT

Hi all members and friends of SBE Chapter 70!

There's no meeting this month, but we have things in the works for March.

Special thanks to Kevin Doerle and Jim Baird for the Browns stadium event. More on that next month.

Some sad local news came in. Long time Salem engineer Dave Johnson passed away last week. Our thoughts and prayers are with his friends and family. More information is available at:
